

# **Bread Loaf Land Conservation: A Century-Long Vision**

Middlebury College  
2,100 acres in Ripton, Vermont

**Inspired leadership and  
innovative partnerships: a  
convergence of people, values and  
economic needs**

## Primary Purposes:

- Ecological and forest values
- Recreation and public access
- Education and research

A vision realized through many hands

**Conservation innovation:** higher education can be a leader and model for non-profits
